

A2 **donne** Crema Ora serve l'impresa

Volata verso la A1, la Parking Graf Crema parte dal -16 dell'andata e dovrà ribaltarla con una gara perfetta e la spinta del pubblico

CREMA Ora o mai più. La Parking Graf Crema è chiamata all'impresa della vita questo pomeriggio alle 18 al Pala Cremonesi, dove dovrà battere l'Alpo Villafranca con almeno 17 punti di scarto per qualificarsi alla finale Promozione. Situazione veramente difficile per le cremasche, che pagano soprattutto un primo tempo disastroso nell'andata di mercoledì in terra veronese. Difficile, ma per nulla impossibile. Crema quest'anno ha ampiamente dimostrato che una prestazione del genere è assolutamente nelle sue possibilità. Alpo è forte e tecnicamente di assoluto valore, ma non è imbattibile, altrimenti non sarebbe finito alle spalle delle biancoblu dopo 30 partite di regular season. Una stagione dove peraltro lo scontro diret-

to giocato alla Cremonesi aveva visto la Parking Graf vincente di 13, e soprattutto dominante dall'inizio alla fine. Servirà la partita perfetta, questo è chiaro, il margine

d'errore al momento è ridotto a zero. Servirà soprattutto una gara giocata con enorme continuità in termini di concentrazione e intensità. Non ci si possono permettere passaggi

vuoto, e non si devono nemmeno regalare parziali alle avversarie come è stato mercoledì, soprattutto in un primo tempo da black out collettivo. Si deve ripartire invece dal terzo quarto, un parziale da più 10 per Crema che ha dimostrato come potrebbe andare la gara odierna e qual'è il reale valore delle biancoblu. Conterà moltissimo però anche la tenuta fisica. Entrambe le squadre sono alla sesta partita negli ultimi 18 giorni, una ogni tre senza sosta tra fine regular season e playoff, un ritmo dove è difficile mantenere la lucidità alta. Crema ha il vantaggio che ha

sempre fatto ruotare stabilmente dieci ragaazze, mentre Alpo gioca sostanzialmente a 8. La speranza è che anche questo possa incidere a favore della Parking Graf. Qualunque ragazza coach Diego Sguaizer deciderà di mandare in campo dovrà dare oltre il 100%, e allora l'impresa sarà possibile. Altrimenti, la stagione andrà in archivio con una delusione, perchè per quanto si sia fatto bene (e la Coppa Italia in questo senso è ancora lì che luccica) questa squadra ha davvero tutto anche per centrare almeno la finale.
